Do we want to indirectly respond to the false allegations via these Q's and A's?

Hi, Tom.

Here's a link to the HSR stuff on our internet page: <https://www.epa.gov/osa/basic-information-about-human-subjects-research-0>

You can click on the boxes on the right to find answers to questions.

We have MANY MORE questions and answers in a document that we have prepared for communications. It's just a matter of figuring out which ones/how much we should keep in the internet site.
